CENTURY
THE SIGNATURE COLLECTION

Live at Century and you will learn the many secrets Fraser Street keeps to itself. Like the Royal Fortune restaurant, frequented by tourists looking for Vancouver's best Szechuan-style Chinese food, and AI-Watan Tandoori, where the best possible Pakistani lunch costs just \$7. Look beneath the surface and there is much to discover: Great schools, cutting edge hair salons, amazing antiques, delicious delicatessens... and soon Century itself will add a grocery store, Shoppers Drug Mart and Starbucks right on your doorstep. This is Fraser Street, an evolving story that is yours to own today.
